

# UNITED LEGACY

## Product Description

---

**Fully synthetic high-quality engine oil offering benefits of revitalized vehicle performance by reducing ring sticking, leaks and improving the overall performance of high mileage vehicles. The oil is specially formulated to prevent gunk buildup and deposits, keeping the engine clean and providing a calm and quieter ride for optimum passenger comfort.**

The high performance engine oil also enables easier cold starts and improved cranking speed, optimizing engine efficiency and reliability while lessening excessive oil burning for improved fuel economy.
